BLACK MANTA CAPITAL PARTNERS ARE NOW A DIRECT FUNDING PARTNER OF VIENNA STOCK EXCHANGE

BERLIN/VIENNA - Black Manta Capital Partners (BMCP) teamed up with Wiener Börse, the Vienna Stock Exchange: As a Direct Funding Partner (DFP), BMCP will assist small and medium sized companies with pre-market and on-exchange financing, bringing together companies with financing needs and potential investors via tokenized solutions.

Founded in 1771 as one of the most traditional stock exchanges in the world, the Vienna Stock Exchange today is a modern, customer and market oriented infrastructure company that operates the stock markets in Vienna and Prague. The Vienna Stock Exchange group operates the market data hub for Central and Eastern European markets and has established itself in the calculation of indices for the region. It cooperates with over ten exchanges in CEE and is valued worldwide for this unique know-how.

Alexander Rapatz, Co-Founder and Managing Partner at BMCP: *“Exchanges and secondary market partnerships are crucial for the market we want to develop as a primary platform for the Tokenization of securities. As Black Manta Capital Partners we reach out to both new and traditional players like the Vienna Stock Exchange. The question is usually not IPO or STO, in fact it is about finding the best way of raising capital for any company at the given point of time.”*
