BLACK MANTA CAPITAL PARTNERS COLLABORATE
WITH GENESIS BLOCK - NEW YORK

BERLIN/NEW YORK - Black Manta Capital Partners (BMCP) has entered into a broker-dealer partnership with Genesis Block to jointly develop the markets for Tokenized Securities in the United States and the European Union together. The long-term cooperation will include preferred access to established distribution channels and cross-continental placement of Security Tokens.

As a US-based digital asset and blockchain-focused financial services platform, Genesis Block aims to accelerate the connection of digital assets and real economies to drive lasting enterprise value creation and growth across the United States and international markets. This includes establishing primary and secondary markets for digital securities as well as cross-border markets for digital assets and related products and services.

Sam Proctor, CEO of Genesis Block: *"We continue to see significant progress in integrating distributed ledger technology into markets for traditional financial assets. We are excited to be working with Black Manta Capital Partners, as they are at the forefront of this process in Europe."*

Christian Platzer, Co-Founder and Managing Partner at BMCP: *“The Tokenization of Securities will make the financial world a smaller place, will drive the internationalization of investing. As Black Manta Capital Partners we put ourselves at the forefront of the primary market development in the European Union. In order to get it right in the U.S. financial market and with the U.S. regulators, we need partners like Genesis Block. We have been impressed by Genesis Block’s experience and expertise from day one. We do look forward to an extremely fruitful transatlantic collaboration.”*
