Amazing Blocks forms partnership with Black Manta Capital Partners

VADUZ, MUNICH, VIENNA – We are pleased to announce the cooperation between Black Manta Capital Partners (BMCP) and [Amazing Blocks](#), a Liechtenstein-based legal tech startup. This partnership adds another substantial extension to our network and is a further step towards providing our customers with the best possible all-round package when it comes to tokenizing assets of all kinds.

The cooperation between Amazing Blocks and Black Manta Capital Partners enables Amazing Blocks to provide its clients with a complete and professional service on their way to establishing a digital entity of their company. Black Manta Capital Partners brings their intensive knowledge and vast network to the valuable exchange with Amazing Blocks.

“We are excited to support the growth of the token economy in Liechtenstein by partnering with Amazing Blocks and are looking forward to many projects along the line. In Amazing Blocks, we see a well-positioned team, who bring a mindset to the table that will be needed to develop this rapidly emerging market”, says [Alexander Rapatz](#), Co-Founder and Managing Partner of BMCP.

Amazing Blocks and Black Manta Capital Partners are joining efforts to provide the best infrastructure to thrive in the new era of digital finance and digitized capital markets. In the future, assets of all kinds will be issued tokenized and represented on a blockchain. Together we build the infrastructure to make the vision of a token economy reality. This partnership will enable customers of both companies to enter the market more conveniently while enjoying absolute legal certainty.

The concept of a complete solution that is both simple and efficient is the goal, and together we are once again a big step closer to achieving it.

ABOUT BLACK MANTA CAPITAL PARTNERS (BMCP) - BMCP is a one-stop agency for all technical, financial, and legal aspects of asset tokenization. With security tokens that grant equity, profit, and governance rights to investors, BMCP runs a Multi-STO platform that aims to set a global standard for security token offerings ("STOs"). BMCP was founded in Luxembourg in 2018 and runs BMCP GmbH in Munich as a licensed and regulated Financial Service Institute for STOs, consulting entity BMCP Consulting GmbH in Vienna, and international business development through its Irish BMCP Limited.

ABOUT AMAZING BLOCKS - Amazing Blocks is a Liechtenstein-based legal tech startup that enables the creation and management of equity tokens. Leveraging the Liechtenstein Token Act, almost any asset or company can be tokenized. This includes real estate, cars, machines, and even fine art. Flexible tokens (e.g., equity tokens or debt tokens or participation rights as tokens) represent legal rights and are treated as a security according to the Liechtenstein Token Act.

Amazing Blocks assists clients in all questions connected to the topic of equity tokenization and has a large network of partners familiar with the legal situation in Liechtenstein. The result is equity management with the full advantages of tokenization and the legal security of a conventional company structure.
